CERTIFIED MAIL

Mr. Don Ryan
ARCO Aluminum
P.O. Box 10
Columbia Falls, MT 59912

Dear Mr. Ryan:

Enclosed is a citation for a monthly violation of the ambient standard for fluorides in forage. The violation (57.7 ug/g) occurred at the Doane site during October of 1984. As you know, the monthly standard is 50 micrograms per gram.

I understand that you have already discussed the consequences of this document with Hal Robbins, chief of the Air Quality Bureau. Please sign and date the citation, and return the signed original to this office. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Bob Raisch".

Bob Raisch, Supervisor
Operations Section
